

2020 Contract

The Chamber Rewards Program

This program includes Chamber member businesses who offer a variety of exclusive discounts and benefits to the more than 10,000 employees of Chamber members. You can realize significant savings throughout the year on everyday purchases while supporting businesses that support the Chamber.

Why is this program valuable ?

1. Increased sales because of enhanced traffic...over **500** companies and more than **10,000** employees carrying Chamber Rewards cards
2. Your business and promotional offering featured on the Chamber web site
3. Your business featured on the Chamber Rewards promotional page in the Chamber Directory
4. Decals for your check-out promoting you as a Chamber Rewards partner
5. Your business & promotion featured quarterly in an eblast promoting the rewards program

How do I use the Chamber Rewards Program?

Chamber businesses will receive a card for each of their employees along with information on participating members and the reward they are providing. They simply show this card at participating businesses to receive the benefit or discount.

Many of the businesses offering these benefits will be identified by a decal displayed at the point of purchase or in the window. A list of the participating businesses will also be included in the Chamber directory, along with a QR Code linking to our website. This list is updated throughout the year and will be kept current on our website so check in often.

Get on board with this amazing program and start increasing traffic TODAY!
